

ITEM 670.9411--25 – REMOVE WIRING

1. DESCRIPTION:

- 1.01 Under this work, the Contractor shall remove and dispose of existing wiring where shown on the plans or where directed by the Engineer.

2. MATERIALS:

- 2.01 Not specified

3. CONSTRUCTION DETAILS:

- 3.01 **Removal:** Removal of wiring shall be done in such manner as to protect existing materials which are to remain.
- 3.02 **Disposal:** All removed wiring shall become the property of the Contractor and shall be promptly removed from the site and disposed of in a legal manner.
- 3.03 **Patching:** All openings which are not to be reused shall be sealed in a manner approved by the Engineer.

Prior to the beginning of any work, the Contractor shall submit to the Engineer a detailed schedule of work operation. This schedule shall be complete and include the expected percentage of work to accomplish within specific time frames. The Contractor may be at any time asked to prepare and submit an updated work schedule. Failure by the Contractor to present such a document upon request will cause the progress payment procedure to terminate immediately.

4. METHOD OF MEASUREMENT:

- 4.01 The work will be measured for payment on a lump sum basis.

5. BASIS OF PAYMENT:

- 5.01 The lump sum price bid shall include the cost of all labor, materials and equipment necessary to satisfactorily complete the work.
