

**1. DESCRIPTION:**

- 1.01 This work consists of reimbursing the Massachusetts State Police for dedicated police services provided within the construction project for such periods and at such locations as directed by the Engineer for the control and direction of traffic within their jurisdiction.
- 1.02 The traffic officers shall be uniformed sworn Massachusetts State Police Officers. Services will also require the use of an Official Police vehicle and associated equipment.

**2. MATERIALS:**

- 2.01 None specified.

**3. CONSTRUCTION DETAILS:**

- 3.01 The Contractor shall receive invoices from the Engineer summarizing the actual police services provided on the project site. The Contractor shall reimburse the Massachusetts State Police the stated amount on the invoice within 21 days of receipt. Once the State Police verifies receipt of the reimbursement, the Authority will reimburse the Contractor the invoice amount plus five (5) percent for administrative costs.

**4. METHOD OF MEASUREMENT:**

- 4.01 The amount set forth in the Proposal is a fixed price for all bidders and shall not be changed. The fixed lump sum is not to be altered in any manner by the bidder. Should the amount be altered, the new figures will be disregarded and the original price will be used to determine the total amount bid for the contract.

**5. BASIS OF PAYMENT:**

- 5.01 Actual payment for this item will be based upon the billing submitted by the provider of services for the work performed. The lump sum fixed price, as adjusted to reflect the actual payments to the provider, is intended to reimburse the provider for actual services rendered, and with an additional five (5) percent being paid to the contractor for administrative costs.
