This page is intentionally left blank.

PART 8. SPECIAL SPECIFICATIONS

This *Part 8 – Special Specifications* provides access to, and details the Project-specific requirements for the use of, the following documents:

1. NYSDOT Standard Specifications, Construction And Materials, US Customary Units
2. NYSDOT Engineering Information Issuances
3. NYSDOT Special Specifications.
4. NYSDOT Standard Sheets.

8.1. NYSDOT Standard Specifications and Construction Materials

The Design-Builder shall use the NYSDOT Standard Specifications, Construction And Materials, US Customary Units in coordination with *Part 5 – Special Provisions*.

The NYSDOT Standard Specifications, Construction And Materials, US Customary Units can be accessed at the following internet link:

<https://www.dot.ny.gov/main/business-center/engineering/specifications/updated-standard-specifications-us>.

8.2. NYSDOT Engineering Information Issuances

The Design-Builder shall use the relevant NYSDOT engineering information issuances, which include:

1. Engineering instructions (EI);
2. Engineering Bulletins (EB);
3. Engineering Directives (ED).

The above listed engineering information issuances can be accessed at the following internet link:

<https://www.dot.ny.gov/main/business-center/consultants/forms-publications-and-instructions/engineering-information-issuance-system>.

8.3. NYSDOT Special Specifications

The Design-Builder shall use the NYSDOT Special Specifications when construction is not governed otherwise by NYSTA Special Specifications or NYSDOT Standard Specifications. NYSDOT Special Specifications shall be modified in accordance with *Part 5, Special Provisions - Section 5.3*.

NYSDOT Special Specifications can be accessed at the following internet link:

<https://www.dot.ny.gov/main/business-center/engineering/specifications/special-specifications-us>.

8.4. NYSDOT Standard Sheets

The Design-Builder shall use the US Customary NYSDOT Standard Sheets when construction is not governed otherwise by contract design plans or NYSTA Standard Sheets.

NYSDOT US Customary Standard Sheets can be accessed at the following internet link:

<https://www.dot.ny.gov/main/business-center/engineering/cadd-info/drawings/standard-sheets-us>
