Re: The New NY Bridge - DEC Permit 3-9903-00043/00012  
Permit Modification – Temporary Floating Docking Facility  
Village of Sleepy Hollow, Westchester County, NY

Dear Mr. Sanderson:

The subject permit for the New NY Bridge is hereby modified to allow installation of the temporary docking facility requested in your June 27, 2013.

The temporary facility must be constructed in conformance with the project description, appendices and drawings contained in your letter. In addition, the following conditions apply to this approval:

- No permanent structures are permitted in the River.
- Dredging, dewatering and discharges to the Hudson River of any kind are prohibited at the site of the temporary docks.
- The temporary docks must be removed completely from the bed and banks of the River within three months of completion of demolition of the existing Tappan Zee Bridge and its removal from the River.

The temporary floating docking facility is subject to all other terms, conditions and requirements of the subject permit. If you have any questions please feel free to contact me.

Respectfully,

John J. Ferguson  
Chief Permit Administrator
